Subject: Raffle Request

Brandon:

Thank you for your raffle request. We have some questions about your letter. This looks like it may be a local raffle? If so, you would need to contact your county or city officials as our office only files statewide raffle requests. We are also wondering if you fall under the statute below, as a charitable organization? According to this statute, you would need to fall under one of these categories to be approved for this raffle.

Bingo, as defined in SDCL 22-25-23 or lottery as defined in SDCL 22-25-24 may not be construed as gambling or as a lottery within the meaning of SDCL 22-25-1, if: (1) The bingo game or lottery is conducted by a bona fide congressionally chartered veterans' organization; a religious, charitable, educational, or fraternal organization; a local civic or service club; a political party; a volunteer fire department; or a political action committee or political committee on behalf of any candidate for a political office which exists under the laws of the State of South Dakota.

Please let us know if there is anything else we may do to assist you.

Thank you,

Kayla
